

## BlackBoard LTI Student Manual

### Accessing AME Content

In order to access AME materials, you will need a valid PIN from either a new textbook/workbook package, or purchased at our online store [amelearning.com/store](http://amelearning.com/store). Since you will be connecting to AME resources from your Blackboard course, you will not need an enrollment key.

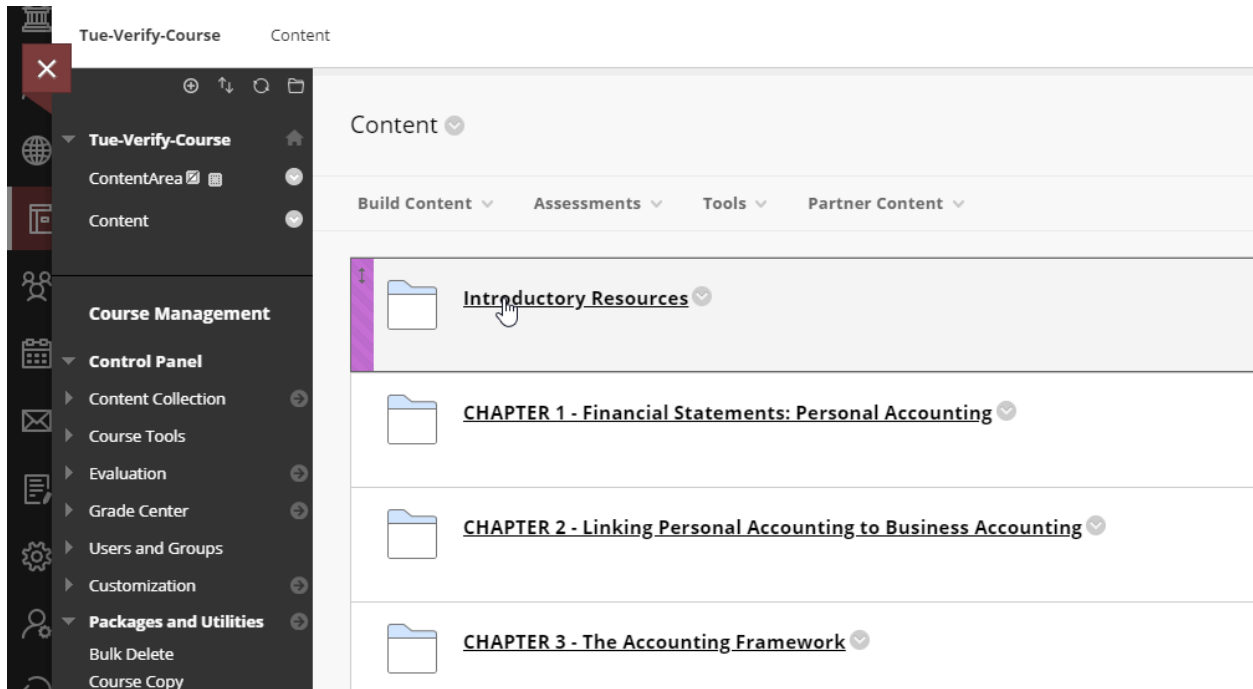

Once you have a valid PIN, follow the Accessing a Resource section below. The very first time you get to the Open a New Window section to open an AME resource, you will be prompted to enter your PIN, as shown below. After entering the valid PIN, you will have access to the AME resources and will not be prompted for a PIN again in this course.

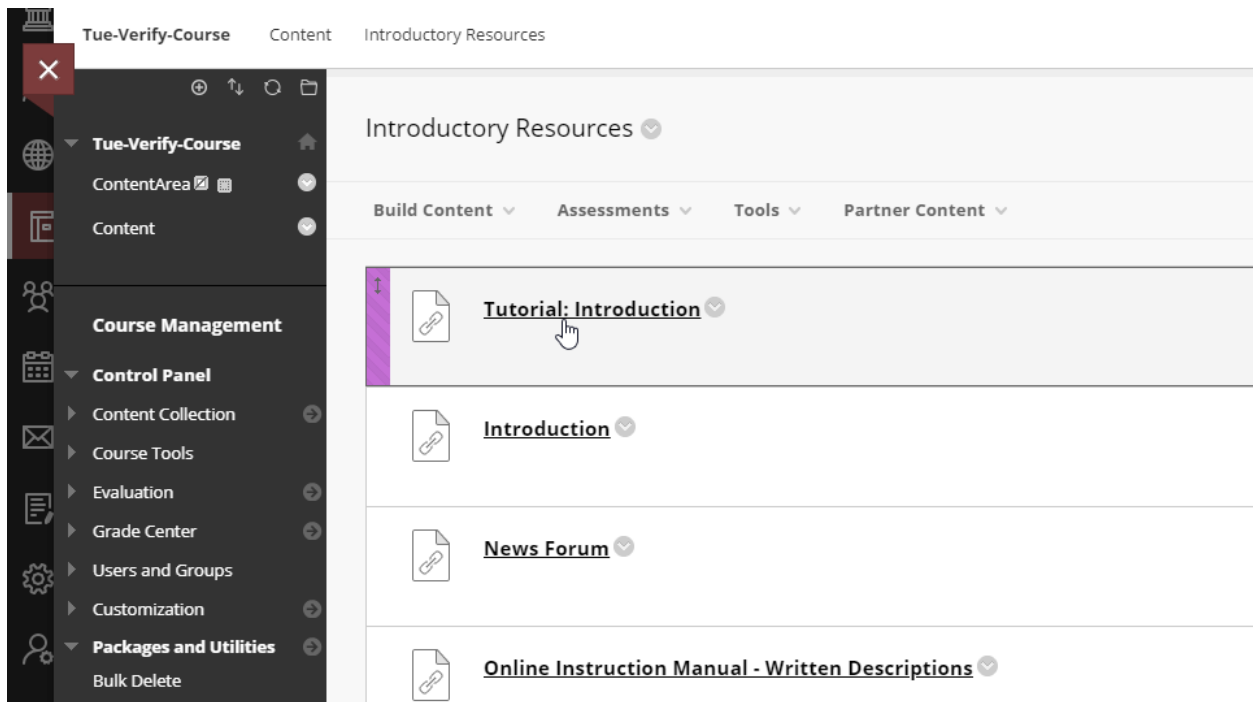

The screenshot shows a form titled "Enroll" with a dropdown arrow to its left. Below the title is a text input field labeled "Unique PIN Code". To the right of the input field is a red exclamation mark icon, followed by the text "Click to enter text" and two small icons: a pencil and an eye. Below the input field are two buttons: "Enrol me" (blue) and "Cancel" (grey). At the bottom of the form, there is a message: "There are required fields in this form marked ! ."

### Accessing a Resource

Log into your school's Blackboard system and access your course as your school has instructed you to do. Once you are in the course, from the Content page click on a folder.

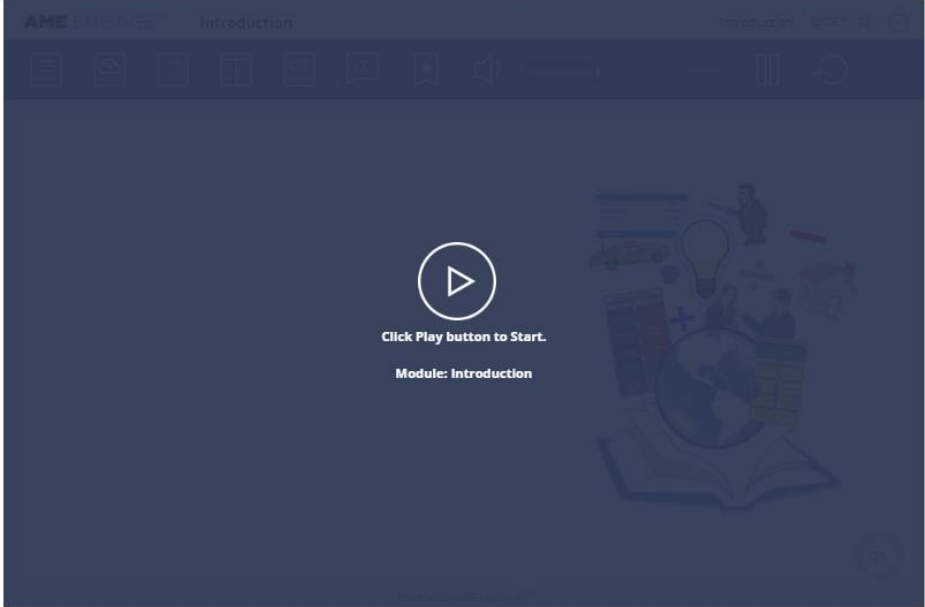

A list of resources for the section appears. Click on a resource.

The resource launches in a new window. Make sure pop-ups are not blocked.

AME Engage Introduction

Click Play button to Start.

Module: Introduction

The image shows a video player interface within a web browser. The browser's address bar contains the URL: https://www.ameengage.com/mod/scorm/player.php?a=280081&currentorg=intro&scoid=689530&sesskey=BHYVd2e17W&display=popup&mode=normal. The video player itself has a dark blue background. At the top, it displays 'AME Engage' and 'Introduction'. Below this is a control bar with various icons for play, pause, stop, and volume. The main area of the player is mostly dark, with a large white play button icon in the center. To the right of the play button is a faint, light blue illustration of educational icons, including a globe, a lightbulb, a book, and a graduation cap. Below the play button, the text 'Click Play button to Start.' and 'Module: Introduction' is displayed. A vertical scrollbar is visible on the right side of the browser window.
