

Moodle LTI Student Manual

Accessing AME Content

In order to access AME materials, you will need a valid PIN from either a new textbook/workbook package, or purchased at our online store amelearning.com/store. Since you will be connecting to AME resources from your Moodle course, you will not need an enrollment key.

Once you have a valid PIN, follow the Accessing a Resource section below. The very first time you get to the Open a New Window section to open an AME resource, you will be prompted to enter your PIN, as shown below. After entering the valid PIN, you will have access to the AME resources and will not be prompted for a PIN again in this course.

The screenshot shows a Moodle enrollment form. On the left, there is a vertical grey bar. To its right, the word "Enroll" is displayed in blue with a downward-pointing triangle to its left. Below this, the text "Unique PIN Code" is followed by a red exclamation mark icon and the text "Click to enter text" with a pencil icon and an eye icon. A horizontal line separates this from two buttons: a blue "Enrol me" button and a grey "Cancel" button. Below the buttons, a message reads "There are required fields in this form marked  ."

Accessing a Resource

Log into your school's Moodle system and access your course as your school has instructed you to do. Once you are in the course, scroll to the resource that you would like to see and select.

The prompt to enter the resource appears in a new tab. Click on enter.

Tutorial: The Meaning of Accounting

Number of attempts allowed: Unlimited
Number of attempts you have made: 0
Grading method: Highest attempt
Grade reported: None

→ **Enter**

The tutorial (or other resource) launches in a new window:

Tutorial: The Meaning of Accounting

The image shows a video player interface within a web browser. At the top left of the player, the text "AME ENGAGE" and "The Meaning of Accounting" is visible. Below this is a dark blue control bar containing various icons for video control: a list icon, a play/pause icon, a stop icon, a full screen icon, a volume icon, a progress slider, a previous icon, a play/pause icon, and a next icon. The main area of the player is dark blue and features a large white play button icon in the center. Below the play button, the text "Click Play button to Start." is displayed. At the bottom of the player, the text "Module: The Meaning of Accounting" is shown. The browser's address bar and title bar are visible at the top of the image.
